To make the most of your Harding presidency worksheet answer key, it helps to dive deeper into some of the pivotal aspects of his administration.

The “Return to Normalcy” Campaign Promise

One of the most famous slogans associated with Harding was his promise of a “Return to Normalcy,” which reflected his desire to steer the country away from the upheaval caused by World War I and President Wilson's progressive reforms. The worksheet answer key will often highlight how this campaign promise resonated with voters tired of war and social change.

Economic Policies and the 1920s Boom

The answer key generally emphasizes Harding's support for:

- Lowering taxes on businesses and individuals to stimulate investment
