To make this guide more tangible, here are examples of common worksheet questions based on *Constitution USA with Peter Sagal* and how to think through the answers.

Question: What is the significance of the Supremacy Clause in the Constitution?

****Answer Strategy:****

The Supremacy Clause, found in Article VI, establishes that the Constitution and federal laws made

pursuant to it are the supreme law of the land. This means that if there is a conflict between federal law and state law, federal law prevails. Peter Sagal's series often discusses this clause when explaining tensions between state governments and the federal government.

For worksheet answers, highlight these points and connect them to the ongoing constitutional struggle over civil rights.
