Tips for Creating or Using Day of the Dead Word Searches

Whether you're crafting your own puzzle or working through one you've found online or in a book, here are some ways to make the most of your word search experience.

Choose Culturally Relevant Words

When selecting words to feature in a Day of the Dead word search, aim for a balance between common terms and those that invite curiosity. Including words like "ofrenda," "altar," and "marigold" alongside lesser-known phrases such as "papel picado" (decorative paper cutouts) or "La Catrina" (a famous skeletal figure) encourages learners to explore the holiday's nuances.

Use the Answer Key as a Teaching Tool

Instead of simply giving participants the answer key at the end, try presenting it after a discussion

about the holiday. Use each word as a prompt to share stories, traditions, or cultural facts. This approach transforms the puzzle from a passive activity into an interactive cultural exploration.

Incorporate Visual Aids

Day of the Dead is a visually stunning celebration filled with colorful decorations and symbols. Pairing your word search with images of calaveras, altars, or marigolds can help learners connect words to real-world representations, making the experience more memorable.

Ofrenda (Offering)

The ofrenda is a carefully arranged altar where families place photographs, favorite foods, and personal items belonging to their deceased loved ones. This word is central to understanding the holiday's purpose: a heartfelt invitation for spirits to visit and be remembered.
